Impact on the Landscape Maintenance Districts  
County of Los Angeles**

Dear Neighbor:

The County of Los Angeles Department of Public Works will conduct a community meeting to present the proposed landscaping project at the Interstate 5 interchange at Lyons Avenue/Pico Canyon Road and to solicit your input on the development of the new landscaping improvements. Discussion will include impacts that the proposed project will have on the existing Landscape Maintenance Districts, which would result in new assessments (or which could affect the current assessments) to the benefitting property owners in the area in order to fund the cost of ongoing future maintenance of the project.

Residents are invited to join in an open discussion about the landscaping improvement project and its impacts on the Landscape Maintenance Districts.

Time: 6:30 p.m.
